Defendants.

Civ. A. No. 2:10-cv-0345

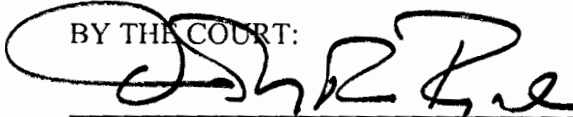

**ORDER**

The Court hereby authorizes a third distribution from the settlement fund to the class members who successfully received the second disbursement whose pro rata share of the remaining fund will be at least twenty dollars. The Court finds this the most efficient means of effectuating a third distribution and assuring that the distribution checks are deposited. The Court further authorizes Class Counsel to pay \$55,011.80 to the claims administrator for outstanding administration costs incurred to date and to retain a fund of \$120,000 to pay the estimated costs of the third and accounting necessary to close out the fund.

The distribution shall be made within twenty-one days of entry of this Order and the checks mailed shall expire ninety days following the date of the initial mailing of those checks so that a final accounting can be prepared within one hundred and twenty days of the mailing.

IT IS SO ORDERED.

BY THE COURT:

  
Timothy R. Rice, U.S. Magistrate Judge
